Sound /Technical Sheet

-NO COMPRESSION, REVERBS, DELAYS, ECHOES, OR ANY EFFECTS ON VOCALS, OR ANY OTHER INSTRUMENT IN MONITORS. PLEASE. THANK YOU.

-Monitor mixes are: (listed in order of level preference)

*Front monitors (stage left and right) must have **vocal, snare drum** / kick drum, bass guitar, and guitar.

*Drum monitors must have **bass guitar, kick drum** / snare drum, guitar, and **vocal**.

-Work your magic! No Matter how well we perform and sound on stage, you control how well the audience hears us.

-THANK YOU for your Help!
